

ProMilestone

ENGINEERING PROJECTS

COMPANY PROFILE · 2026

Exceptional interiors. Engineered to inspire.

Integrated fit-out, MEP
engineering and project
delivery across the UAE.

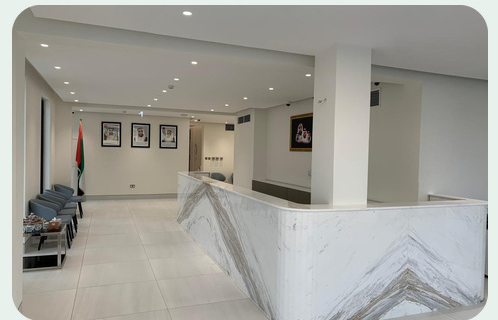

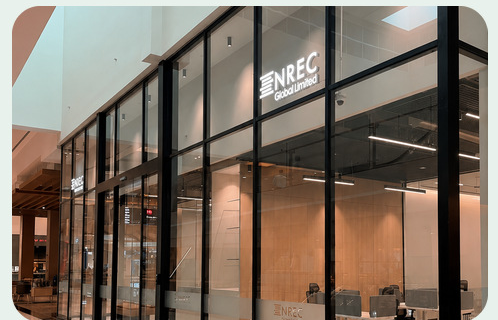

ABU DHABI · UNITED ARAB EMIRATES

promilestone.ae

Fit-out and engineering brought together under one accountable team.

From design coordination to handover, ProMilestone aligns interiors, building services and project controls around one clear delivery plan.

Abu Dhabi

Headquartered in the UAE capital, with projects delivered across the country.

Integrated

Fit-out, civil, MEP and project management coordinated as one programme.

ISO-led

Quality, environmental and occupational health & safety systems.

PROMILESTONE ENGINEERING PROJECTS – L.L.C

A clear path from brief to handover.

Each stage is coordinated against scope, programme, cost and technical compliance, so decisions stay visible and delivery stays accountable.

01 Brief & survey

Understand the business need, existing conditions, approvals and success criteria.

02 Design & cost

Coordinate layouts, materials, engineering, programme and commercial control.

03 Build & engineer

Deliver interiors and MEP with site supervision, QA/QC and live coordination.

04 Handover & aftercare

Test, commission, close snags, submit documentation and support the asset.

Three capability groups. One coordinated programme.

The exact delivery model is shaped around each project, from a focused MEP package to complete turnkey execution.

01 Design & fit-out

- Space planning, design development and authority-ready drawings
- Civil works, partitions, ceilings, flooring and specialist finishes
- Joinery, bespoke furniture, fixtures and installation

02 MEP & ELV

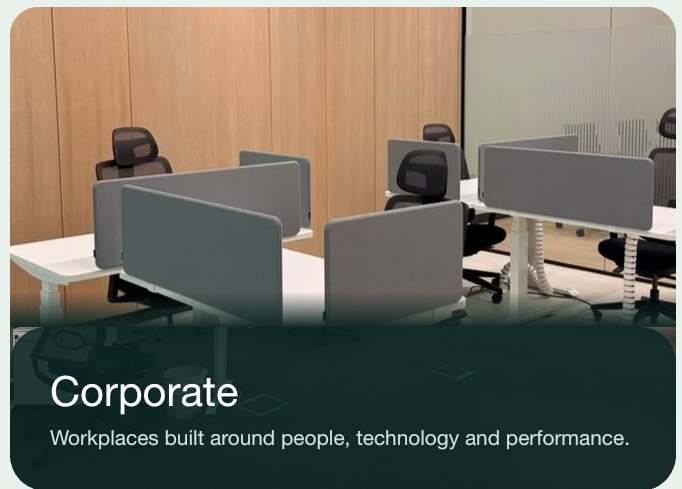

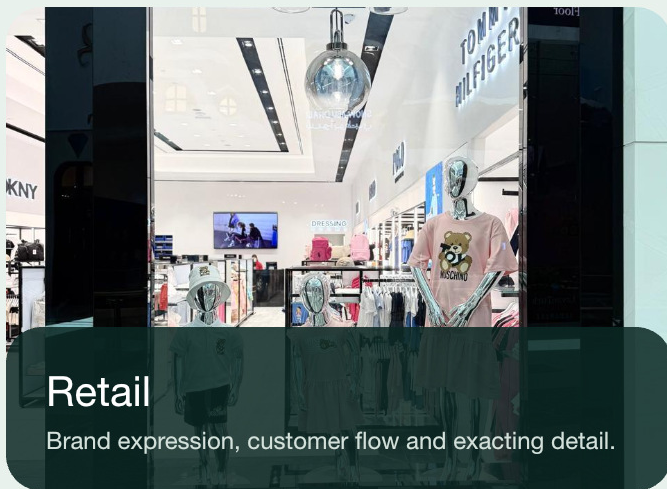

- Electrical, lighting, HVAC and ventilation
- Plumbing, drainage, firefighting and fire alarm
- Data, access control, BMS and audio-visual systems

03 Delivery & aftercare

- Project controls, procurement, programme and cost coordination
- Site supervision, QA/QC, testing and commissioning
- Handover, snag closure, maintenance and facilities support

Spaces are different. Delivery discipline is constant.

Our portfolio spans customer-facing environments and operational workplaces where finish quality and building performance must work together.

HOSPITALITY · RETAIL

Godiva

A compact premium environment where the retail storefront, café experience and technical services had to read as one coherent brand space.
